# Expert Witnesses and Persuasive Testimony in Technology Cases: Leveraging Technical Evidence

Sana Halwani was invited to present at the Canadian Bar Association program titled, *Expert Witnesses and Persuasive Testimony in Technology Cases: Leveraging Technical Evidence*. Sana will discuss the critical role of expert witnesses in technology litigation, providing best practices for selecting, preparing, and presenting them effectively. She will also cover strategies for handling cross-examination and engage in interactive discussions on recent cases involving technological testimony.
